Kapil Viswanathan, Designer

EXPERIENCE

Product Designer, Ford(Contract) May 2017-Present
Co-owned the creative process from concept to launch.
Shipped significant redesigns of the GoRide dashboard and
driver app. Crafted dozens of in-product illustrations and
Pixel-hinted all icons. Collaborated with other designers to
ensure consistency with other products on the platform.

Desinger, BHEL Mar 2014 - Jun 2014
Worked with the identity team to create a new sign-in
experience for internal employees. Collaborated with a
developer and helped with HTML and CSS.

Web Designer, Wipro Limited Jan 2013 - Sep 2013
Designed primary web interface for Wipro Digital. Validated
the designs by testing and worked with the engineering team
to finish implementation.

Project - Colorado State University
Successfully contributed to the design and launch of a
streamlined mobile application for 2,700 students.
Created visual identity design for 30+ campus events.

EDUCATION

Colorado State University Aug 2014 - May 2016
Masters in System Design Engineering.
Anna University Sep 2008 - May 2012
Bachelors in Engineering.
